

All portraits come with unconditional 45-day guarantee. Each family must be completely satisfied with portrait or their money will be completely refunded. Your organization retains ALL profit.

## Volunteers:

You'll need a program coordinator to oversee sales efforts, a volunteer to schedule families and a receptionist to assist the photographer during photo session. With as few as 5 – 10 volunteers, over 3 – 4 weeks, your organization can have a successful fundraiser. You could even qualify for extra bonuses!

## Fundraising is easy with MASTERPIECE PHOTOGRAPHY FUNDRAISERS

*Friends,  
I would like to recommend Michael  
Guido from Masterpiece Photography as  
a photographer. I've had the pleasure of  
working with Michael on a fundraiser  
for our organization. He took family  
portraits. Michael was professional,  
prompt, flexible, friendly and great to  
work with. Family after family found  
pleasure in his presentations.*

*Overall, we are pleased with the services  
and portraits provided by Masterpiece  
Photography. He's a talented  
photographer and I look forward to  
working with him in the future.*

*Sincerely,*

*Nicole Burnett
